BRIEF ABSTRACT OF LETTER

Requests that an additional grant of Rs 1906 may be sanctioned out of the closing balance of the Chittagong municipality to meet the municipal share towards the construction of a dispensary building at Chittagong

NOTES AND ORDERS

Q The opening of a dispensary at Chittagong was sanctioned in G O No 3847-50/Cu 112 dated 8th Aug 1913 and it was then directed that the charges on account of annual & furniture contingencies etc should be debited to the Provincial & Dt Funds

in the proportion of 1/3rd & 2/3rds Board respectively as the municipal funds were then unable to bear a share of these charges. Since then the cost of the maintenance of the dispensary so far as it relates to the items mentioned above is being debited to the Provincial & District funds the municipal funds being exempted from these charges. Now that the Chalakere municipality have improved their finances by the levy of market fees at Challakere and other means, there appears no reason why they should be exempted hereafter from the payment of their share towards the maintenance of the dispensary, which as the dispensary is mainly for the benefit of the inhabitants within the municipal area. In the present case the municipality have agreed to bear 1/3rd cost of constructing a dispensary buildings and their financial condition admits of the expenditure as the closing balance is in excess of the prescribed minimum.

3) It is seen that the expenditure of the municipality is in excess of its receipts. If this is due to temporary causes and does not otherwise affect the finances of the municipality, there is no financial objection to sanction an additional grant.

4) No objection to the grant to the Municipality as proposed, as the charge is irrecoverable from funds debitable to the Municipality

S I R,

In continuation of this office letter No. 306 dated 18th December 1915 re the funds for the construction of a building to locate the L. P. Dispensary at Challakere, I have the honor to state that the Executive Engineer, Chitaldrug Division, having claimed one-third part of the cost as payable by the Challakere Municipality the matter was referred to the Municipality.

The Municipal Board is agreeable to bear its quota of contribution from the balance at the credit of the Municipality. (Vide copy of the resolution enclosed) I accordingly request that an additional grant of Rs 1906 may be sanctioned for the purpose to the current year's budget of the Municipality.

In this connection, I beg to bring to the notice of Government that as per sanctioned budgets of the Municipality for previous years the Municipality has been exempted from all Dispensary charges. No references are available in this office to show under what circumstances and from what year the Municipality was so exempted.

As however the Municipal Board has now agreed to bear the cost, the proposal may be sanctioned.

I have the honor to be,
